

Table of Benefits

GlobalPass

Individual Healthcare Plans
for Latin America

Valid from 1st May 2026

Flexible solutions for every stage of your life

We believe in providing you with the best cover suited to your needs.

This Table of Benefits provides an overview of the treatments and medical services you are covered for, as listed under each plan below. Your cover will also include the following member services, available to you anytime, anywhere! These are included in the cost of your plan.

Support services

Available to you 24/7 (day and night) weekends and holidays included, to offer you support, guidance and reassurance when you need it:

- [Our multilingual Helpline](#)
- [Expat Assistance Programme](#)
- [Travel Security Services](#)

MyHealth Digital Services

From submitting claims, to managing your policy or finding a provider – all in the palm of your hand (paper and admin free!)

TeleHealth Hub

A portal to access medical consultations from the comfort of your home or office.

Second medical opinion

Offering you an independent medical professional/expert advice on your diagnosis and treatment options.

Olive, our health and wellbeing program

Useful tools to motivate and guide you towards a healthier lifestyle.

We're here to help you and your family, providing expert advice, information and assistance, wherever you are in the world. For further information, videos and brochures visit our [member resources page](#).

Medical evacuation

We won't apply a deductible for this benefit

Where necessary treatment is not available locally, we will evacuate the insured person to the nearest appropriate medical centre (or if the insured person's home country is within their area of cover, they can choose to be medically repatriated to their home country).

Where ongoing treatment is required, we will cover hotel accommodation costs.

Evacuation in the event of unavailability of adequately screened blood.

If medical necessity prevents an immediate return trip following discharge from an in-patient episode of care, we will cover hotel accommodation costs.

Travel costs for one person accompanying an evacuated person
We won't apply a deductible for this benefit

Travel costs of insured family members in the event of an evacuation
We won't apply a deductible for this benefit

** Certain services that may be included in your plan are provided by third party providers. If included in your plan, these services will show in your Table of Benefits.

These services are made available to you subject to your acceptance of your policy's terms and conditions, as well as the service's terms and conditions as set out by the relevant third party service provider. By accepting the third party service providers' terms and conditions, you enter a separate contractual relationship directly with them. Their services may be subject to geographical restrictions.

Full details of the third party service providers' terms and conditions are available in their websites and in the relevant application and/or platform where services may be hosted. The third party service providers are independent data controllers, and we recommend that you review their privacy notices to understand how they process your personal data. The third party service providers offer non-insurance services that are not intended to be a substitute for in-person medical consultations, diagnosis, treatment, assessment or care. You understand and agree that the insurer, its reinsurer and their administrators are not responsible or liable for any claim, loss or damage, directly or indirectly resulting from your use of any of these third party services.

Latin America and Caribbean

Worldwide excluding USA,
Hong Kong, China, Canada,
Singapore, Switzerland, UK
and Brazil

Worldwide*

The cost of your cover will vary depending on which region of cover you choose. The areas of cover are subject to our terms and conditions.

** For Worldwide cover, please see our [Benefit Guide](#) for details on how to navigate the US healthcare system ensuring access to care on a direct billing basis.*

Additional information

Treatment in the USA

You have access to an extensive network of medical facilities and healthcare providers in the USA on a direct billing basis (in-patient and day-care treatment only). You are not restricted to using this network. However, if you have a GlobalPass Connect plan and choose a provider outside of the Connect network, we will only reimburse 60% of the medical expenses. A full list of providers in this network is available online:

allianzglobalpass.com

If you have 'Worldwide' cover and wish to locate a medical provider in the USA, please use the 'Provider finder' under MyHealth digital services available to you.
